NOTICE TO TENANTS OF THE RESIDENTIAL RENT ADJUSTMENT PROGRAM

- Oakland has a Rent Adjustment Program (“RAP”) that limits rent increases (Chapter 8.22 of the Oakland Municipal Code) and covers most residential rental units built before 1983. It does not apply to subsidized units, most single family dwellings, condominiums and some other types of units. For more information on which units are covered, contact the RAP office.
- You have a right to file a petition with the RAP to contest a rent increase that is greater than the annual general rent increase (“CPI increase”). An owner can increase rent more than the CPI rate, but with limits, for: capital improvements, operating expense increases, and deferred annual rent increases (“banking”). No annual rent increase may exceed 10%. The owner must provide you with a written summary of the reasons for any increase greater than the CPI rate if you request one in writing. If the owner decreases your housing services, this may be an increase in your rent. Decreased housing services include substantial problems with the condition of a unit.
- **Contesting a Rent Increase:** If the owner gave this Notice to Tenants at the beginning of your tenancy, you must file a petition: (1) within ninety (90) days of the notice of rent increase if the owner also provided this Notice to Tenants with the notice of rent increase; or (2) within 120 days of the notice of rent increase if this Notice to Tenants was not given with the notice of rent increase. If the owner did not give this Notice to Tenants at the beginning of your tenancy, you must file a petition within ninety (90) days of first receiving this Notice to Tenants. Information and the petition forms are available from the RAP drop-in office at the Housing Assistance Center: 250 Frank H. Ogawa Plaza, 6th Fl., Oakland and at: <http://www2.oaklandnet.com/Government/o/hcd/o/RentAdjustment>
- If you contest a rent increase, you must pay your rent with the contested increase until you file a petition. After your petition is filed, if the rent increase notice separately states the amount of the CPI rate, you have to pay your rent plus the CPI increase. If the CPI rate has not been stated separately, you may pay the rent you were paying before the rent increase notice. If the increase is approved and you did not pay it you will owe the amount of the increase retroactive to the effective date of increase.
- Oakland has eviction controls (the Just Cause for Eviction Ordinance and Regulations, O.M.C. 8.22) which limit the grounds for evictions in covered units. For more information contact the RAP office.
- Oakland charges owners a Rent Program Service Fee per unit per year. If the fee is paid on time, the owner is entitled to get half of the fee from you. Your payment for the annual fee is not part of the rent. Tenants in subsidized units are not required to pay the tenant portion of the fee.
- Oakland has a Tenant Protection Ordinance (“TPO”) to deter harassing behaviors by landlords and to give tenants legal recourse in instances where they are subjected to harassing behavior by landlords (O.M.C. 8.22.600). (City Council Ordinance No. 13265 C.M.S.)
